## Heart Disease

weakens the stomach, deranges digestion, pollutes the blood, destroys the nervous forces and saps the vitality of the whole system. It causes pain in the left side, palpitation, shortness of breath, sinking spells, and frequently ends all suffering in sudden death. Dr. Miles' Heart Cure is the only successful remedy for diseased hearts that has ever been offered to the public.

"It was impossible for me to lie down to sleep for smothering sensations. The pulsations of my heart were very irregular, sometimes seeming to stop beating and at other times palpating so hard it could be heard in the room. One bottle of Dr. Miles' Heart Cure brought relief and after using it for a few months the heart trouble was all gone."

## THE AMERICA CUP TRIALS

SUPREMACY OF YANKEE YACHTS  
UNDECIDED.

Constitution and Columbia Divide  
Trials—Independence Develops Great  
Speed—New Shamrock Better Boat.

NEW YORK, July 17.—The result of the racing so far leaves the question of the supremacy between the Constitution, the Columbia and the Independence still uncertain. The Independence made so excellent a showing in the last two trials that the hopes of the Boston contingent have been high. Apart from the accident to her topmast in the last trial, it is thought by many that the Independence would have come in ahead of the two other ninety footers. She has developed great speed and when keyed up with a new set of head sails it has yet to be demonstrated that she is the slowest boat in anything but the lightest of breezes.

The Constitution and the Columbia have shared the honors at the four trials, the Constitution winning the first two while the old boat captured the two last of the four events under the Newport Racing Association.

The boats will in all probability not meet again until at least ten days from now, the Constitution having sailed to Bristol, the Columbia to this port and the Independence probably to New London.

Mr. Duncan manager of the Constitution had nothing to say after the final race in explanation of the defeat of his boat by the Columbia. Captain Hall of the Independence states that the good showing of his boat only carries out his belief in her speed. Properly tuned up, he declares she can beat either of the two boats in any kind of a breeze. The present races have only showed the faults of the boats without affording an opportunity to remedy them.

There is the best of feeling and healthy rivalry among the crews intensified by the close time made by the boats. In the first race the Columbia finished but four minutes ahead of the Constitution which again was only a little over two minutes ahead of the Independence, less than half a mile astern.

On the fourth trial the Columbia was two minutes and nineteen seconds ahead of the Constitution while the Independence with her big club topsail trailing in the water for twenty minutes and six minutes dead loss while she cleared away the wreck was less than seven minutes behind the winner. At Rothsay, Fifth of Clyde, in the final trial over a thirty six mile course in a fourteen knot wind, the Shamrock II outsailed the old boat one and a half minutes the Shamrock I having the additional advantage of a rain squall which did not touch the challenger and which was regarded as a fluke by the experts, who consider the performance a splendid one on the part of the new challenger. At the third trial the Shamrock I gave up the race, being two minutes and a half behind the challenger owing principally to having veered from her course owing to a misunderstanding.

At the conclusion of the trials an immediate start was made toward dismantling the challenger, her spars being replaced by her ocean rig. It is believed that the Shamrock II may start for this side on the 22nd.

##### CONGRER ON THE NIPPON.

Minister Conger was a passenger on the Nippon Maru for the Orient. He is returning to his post as minister at Peking. Minister Conger was joined here by his son who came down on the Ventura recently. Minister Conger says that he does not think it will be long before peace is restored in the Orient.

When asked about the gubernatorial situation in Iowa he said that, so far as he was concerned, it remained unchanged.

"I was asked," he said, "if I would accept the nomination for Governor if it were tendered to me, and my reply was that if the nomination were tendered to me I would, of course accept it. That is the way matters stand at the present time. Whether the nomination will be tendered to me is a question which I cannot foresee."

Minister Conger is accompanied by G. W. Drollette of Evansville, Ind., who will be his private secretary.

##### BICYCLE THIEVES.

Insurance Against Loss Can Now Be Obtained.

Bicycle Insurance has come to town. Following the bicycle thief has come the antidote. The American Bicycle Insurance Company, Honolulu, has been organized to insure against involuntary loss of bicycles whether by theft or otherwise. E. O. Hall & Sons are the promoters of the concern. The agreement of the company is that in consideration of the premium of \$2 the company will insure a bicycle for a year. If a loss occurs within four months the bicycle will be replaced as new. If the loss occurs in eight months insurance is as to three-fourths the value of the wheel. If the loss occurs within twelve months, insurance is as to two-thirds of the value of the wheel.
